

# give where you live

*help sustain the environment & our community*

The Towbes Group will donate \$25 for every move-in, in 2011, to the local foodbank to help sustain the efforts of their important work.

Every new resident will receive a recycled, reusable grocery bag eliminating the use of 1,000 plastic bags over its lifetime.

**UNITY SHOPPE**

By making a Towbes Group Property your home you will be contributing to your community and the environment.
